

Rental conditions

- 1) Use of the bicycle requires the physical fitness, age, and technical expertise of those wishing to rent the e-bike. Use by minors is permitted with the prior written consent of the parent or guardian. The rental agreement must be countersigned by the parent or guardian (with an identification document attached); by signing the agreement, the parent assumes all responsibilities specified in the articles and the Civil Code and authorizes the minor to use the e-bike under the conditions stipulated in this regulation.
- 2) E-bikes are to be used as a means of transport for tourist purposes and must be treated with care. It is prohibited to use them for sporting purposes involving jumps, etc. The e-bike cannot be used by other people. Transport in private or public vehicles and the installation of accessories or mounts for private use are also prohibited.
- 3) The user is responsible for the e-bike until it is returned to the operator. They are also liable for any damage caused to themselves, the bicycle, third parties, and the accessories during the rental period.
- 4) During the rental period, the user and the e-bike are not insured. The user is therefore obliged to comply with the rules of the road. Bike Center Limone declines all liability in the event of improper use of the e-bike or non-compliance with traffic regulations.
- 5) After inspecting the e-bike, the user must present a valid ID card/passport/driver's license, which will be retained for the entire rental period.
- 6) Bike Center Limone may conduct inspections during the use of the bikes and request their immediate return if it finds that the contractual regulations have not been complied with or that the bike is not being used properly. Bike Center Limone may refuse to rent an e-bike to anyone who is intoxicated or under the influence of drugs, or for other reasons at its sole discretion.
- 7) In the event of loss of the keys or accessories of the e-bike and the rented equipment, the user will be charged for all repair costs. In the event of damage to the e-bike or rented equipment, the user is liable for any costs incurred. Repairs are carried out directly by the operator. In the event of theft, the user must reimburse Bike Center Limone the full list price of the stolen e-bike, along with a copy of the report filed with the relevant police authorities. This amount will be refunded if the e-bike is found after the damage to the vehicle has been inspected.
- 8) The e-bike must be returned according to the times and locations specified in the rental agreement. Furthermore, the e-bike must be handed over exclusively to Bike Center Limone employees and not to third parties, so that the e-bike and its equipment can be inspected. Returning the e-bike outside of the rental period without prior authorization will be charged at €25.00 per hour. Failure to return the e-bike without prior notification and authorization from the operator will be considered a theft offense and will therefore be immediately reported to the relevant judicial authority.
- 9) The user can request that Bike Center Limone collect the e-bike for €30.00. The pick-up time must be arranged by phone, subject to availability. The user is responsible for the vehicle until the e-bike is returned. Bike Center Limone is not obliged to arrange a pick-up.
- 10) The rental and use of bicycles presupposes the user's full knowledge and acceptance of these regulations, the rates, and the rental plans. The owner of the e-bikes is Teseo snc, with registered office in 25010 Limone sul Garda (BS), - VAT No. 04044610980. Although not mentioned in these regulations, the relationship between the contracting parties (contractors) is subject to the provisions of the Italian Civil Code.
- 11) The law applicable to the contractual relationship pursuant to the above rental conditions is Italian law.
- 12) The online booking constitutes a legally binding rental agreement subject to the above conditions.
